

Australasian Academy of
Cosmetic Dermal Science

Hi

Welcome to the October 2020 edition of the Aspire newsletter - keeping you up-to-date with AACDS and the aesthetic profession.

COVID Update for Victoria

We are counting down to the reopening of the [Melbourne Aspire Training Clinic](#) on the 4th November! Our wonderful Clinic Manager and trainers have patiently been waiting for this date. The Melbourne Aspire Training Clinic will be open to the public for non-facial treatments. If you're an AACDS student in Melbourne, make yourself an appointment so you can experience some dermal therapies, check out the training facilities and meet your trainers.

We are offering 15% discount on all professional dermal therapies in Melbourne for current AACDS students.

Discount valid until 31st January 2021.

To book an appointment, please click [HERE](#).

Feature

Professional Certificate in Managing and Promoting the Cosmetic Practice

Professional Certificate Launching in November 2020 - Professional Certificate in Managing and Promoting the Cosmetic Practice

Ideal for cosmetic clinic owners or those wanting to move into a management position, this new course describes the performance outcomes, knowledge and skills required to manage and promote the cosmetic practice using assessment methodologies within a cosmetic medical context.

In this course you will learn about:

- Business Structures and Franchising
- Establishing a Cosmetic Medical Practice
- Operational Strategies
- Marketing Strategies
- Financial Management
- Recruitment and Performance Management
- Leadership and Management

The course is 16 weeks, requiring approximately 2 to 3 hours of study per week. On successful completion, students achieve a professional certificate and may apply for credit (requiring additional assessment)

for entry into a nationally accredited qualification in dermal science.

To enquire about the [Professional Certificate in Manage and Promote the Cosmetic Practice](#), click [HERE](#).

AACDS Virtual Open Day

Are you considering a career as a cosmetic nurse or a dermal therapist?

AACDS will be hosting a virtual open day on **26th October 2020 from 3pm-5pm (AWST) via zoom**, which will give you an opportunity to learn more about our flexible courses and Professional Certificates to help you determine the right career pathway for you.

Agenda

- Overview of all AACDS courses and the many career possibilities
- Learn what makes AACDS different
- Exciting new professional certificate courses available in 2020
- Q & A session with AACDS Senior Lecturer / Course Coordinator and Director

AACDS is hosting their first Virtual CPD Summit

AACDS has partnered with four leading aesthetic equipment companies to host their first virtual CPD event on **November 30th 2020**.

This live event will be streamed online in real time for participants to learn about the latest

Virtual CPD Summit

technologies and learn from clinical educators about some mainstream technologies used in clinics today.

Ticket sales will be out soon. For more information, please contact Ekta Tandon on ekta@aacds.edu.au

LCA Virtual Careers Event

LCA Virtual Careers event coming soon!

We are also excited to offer an online event in November, exclusively for our current students and past graduates about exploring their options working with clinic chains.

Keep a look out for your emails to register for this event.

Please email Ekta on ekta@aacds.edu.au if you have any questions.

CPD Workshop Evening, Sydney

CPD Workshop Evening in Sydney

We would like to thank everyone who attended our CPD workshop on *High Intensity Focussed Ultrasound* co-hosted by Cryomed at our Aspire Training Clinic in Sydney.

Couldn't attend? Don't worry! Stay tuned for the upcoming Virtual CPD Summit on 30th November 2020.

Hear from our AACDS past Advanced Diploma of
Cosmetic Dermal Science student:
Deepesha Patil from India
